Affidavit of Robert Colin Urquhart

In response to the motion of Jon Cameron and Alan Warkentin for dismissal for want of jurisdiction

I, Robert Colin Urquhart, of Halifax, in Nova Scotia, Contract Maintenance, make oath/affirm and give evidence as follows:

1. I am Robert Colin Urquhart, the Plaintiff in this proceeding.

2. I have personal knowledge of the facts in this affidavit except where otherwise stated to be based on information and belief.

3. I state the source of any information that is not based on my own personal knowledge, and I state my belief in it.

4. I lived at 26 Meadowbrook Drive, Halifax, Nova Scotia, from April 1, 2024 until July 31, 2024. My current address is 401-2075 Brunswick Street, Halifax, Nova Scotia B3K 2Y4.

5. The copy of the originating claim I reviewed bears Hfx. No. 553352 and a filing date of May 6, 2026. The pages I reviewed refer to Haro Street in Vancouver and events from September through December 2024.

6. My evidence concerns separate material conduct in Nova Scotia from April 2025 to the present. The British Columbia proceeding I understand to concern events from August through December 2024. There is a period from January through March 2025 between those periods.

7. On April 8, 2025, I was sitting in my office at 26 Meadowbrook Drive when I saw three individuals standing in the main entrance. I recognized them as Denise Currie (also known as Tracy), Todd Brisbane, and Wesley Aubichon. I personally knew them as people from Haro Street in Vancouver. They were the first people from Haro Street whom I saw in Halifax.

8. At about 8:00 p.m. on April 2, 2025, I received a communication on my mobile device through an application called "Intercom." Alan Warkentin, Wesley Aubichon, and Jon Cameron told me they were "driving down from Vancouver to surprise me." They told me they were driving because Wesley was unable to leave British Columbia by another means at that time. I believe this account is accurate because I received the communication through an application that I had not previously downloaded, to my recollection. I do not know how the application was installed, and I did not independently verify their travel.

9. My notes identify an event at my residence on April 17-18, 2024. The individuals I identify as the assailants called it "A Lesson in Humility."

10. At that event, I recall Jon Cameron administering injections. I saw Wesley Aubichon and Denise Currie (Tracy). I recall Zach Xavier holding my head up and Todd Brisbane holding a cell phone that I understood was being used as a camera. I also saw Damian Demitri, whom I was told was Michael Hassan, Alan Warkentin, Rowan Enslow, and Nolan Hansen. I recall becoming incapacitated and waking at intervals. I allege that I was assaulted while incapacitated. During the event, I experienced what I describe as an out-of-body experience. I recall feeling as though I was floating above the individuals I identify as my assailants, first in the bedroom and then in the hallway. At the time, I believed that my heart had stopped. Later, Todd Brisbane, Meghan Keough, and Denise Currie (Tracy) told me that my heart had stopped four times during the event. I believe Damian Demitri also told me this. I believe that report may be true because I recall waking the following morning, or on following mornings, with everything appearing yellow, my stomach extremely sore, and my throat raw. This memory came to me on a later day while I was journaling about different things that had happened over the year. Before then, I did not recall these events.

11. On the following morning, I saw a person I believed to be Zach Xavier near the trees outside my building. I heard voices and laughter from Audrey's unit that I believed were Jon Cameron, Alan Warkentin, Todd Brisbane, Denise Currie (Tracy), Audrey, and Alissa.

12. On May 8, 2024, I viewed camera footage for the 4th Street parking lot at 26 Meadowbrook Drive. The footage appeared to show Denise Currie (Tracy) in the back seat of a blue SUV, Michael Scott getting out of the driver's seat, and two children in the back seat. I did not speak with the children or independently verify their identities. I understand that Crime Stoppers has a copy of the footage. A copy may still be in the rob@enqore iCloud account, but I do not know whether it remains there. I do not currently possess a copy of the video.

13. On or about August 26 or 27, 2025, I was standing on my patio and looking toward the parking lot behind my residence. I saw Jon Cameron put his head partly out of the driver-side window, laugh, and say: "You'll never get anything on me or from this, we have been doing this for years." I also saw Todd Brisbane, Wesley Aubichon, Meghan Keough, and Denise Currie (Tracy).

14. On or about June 8 or 9, 2026, police officers told me through a Notice to Appear that Jon Cameron had complained about posters placed on Brunswick Street, which he said were defamatory and portrayed him negatively. I believe this because police officers told me and provided the Notice to Appear. I was told that Jon Cameron had seen the posters. I did not see him place them.

15. On June 30, 2026, an officer told me that Jon Cameron and Alan Warkentin had moved to Halifax and resided in the city. I believe this information because the officer told me.

16. The copy of the originating claim I reviewed bears a filing date of May 6, 2026. My conversation with the officer described in the preceding paragraph occurred on June 30, 2026.

17. Since April 2025, I have continued to experience conduct in Nova Scotia that I describe as harassment, stalking, and online harassment. It has disrupted my daily life and interfered with my work and income.

18. All of this conduct has continued and greatly increased in its intensity.

19. On August 26, I lost my job with the Armour Group after Denise Currie (Tracy) called Armour Group and told them she had caught me doing drugs in her unit. That allegation was entirely untrue.

20. To the best of my knowledge, the witnesses with relevant knowledge of the events described in this affidavit reside in Nova Scotia.

21. I am on a fixed income. Travel to British Columbia for a hearing would cause me financial hardship.

22. On multiple occasions, I was told that I would be abducted to Vancouver and committed involuntarily.

Sworn to/Affirmed before me at _____, in the Province of Nova Scotia, this ____ day of _____, 20____.
